Dear Brother and Sister Franklin:

My wife and I were pleased to receive your recent letter and kind invitation to stay in your home during the Orange County campaign. From all reports we feel confident that a great spiritual experience is in store for us as we work with you in this coming effort.

We are concerned that in view of the size of your family we may be imposing on you. The nature of this campaign will require definite periods of meditation and study for me. We would love the association with you but feel that our first objective is to be prepared mentally and spiritually for each night's service. Please be candid in considering what you feel is the best situation for yourselves and for us. We will be pleased if the arrangements should call for motel accommodations; but if you feel that the best arrangement is staying in your home, we will be happy to comply.

It now appears that Sue and our daughter, Mary Beth age five, will be coming with me for this effort. We will be unable to arrive before Saturday evening, September 4, probably on the 9:50 jet from Dallas. We do hope to remain over into the week following the campaign to visit the various sights. Your consideration of these things will be appreciated and your hospitality already extended is noted with deep pleasure. We solicit your prayers for the coming effort.

Fraternally yours,

John Allen Chalk
